

# PADI Project AWARE \$95.00

The underwater world needs heroes. You can be one of them by championing the causes of the world's most fragile and important aquatic ecosystems. Sign up for the Project AWARE Specialty course to learn about some of the most pressing problems facing these vulnerable environments and everyday actions you can take to help conserve them. It's informative, interesting and most importantly, you learn how to make a difference.

**Project AWARE Foundation** is the dive industry's leading nonprofit organization dedicated to conserving the aquatic environment through education, advocacy and action. Besides completing the Project AWARE Specialty course, you can become a partner in the efforts to preserve the underwater environment.

- The ocean commons and coastal zone issues
- Fisheries challenges and sustainability
- Coral environment overview and inhabitants
- The role of diver in protecting aquatic environments
- Certification counts toward the PADI Master Diver Scuba rating
